Kiem

Dear parents of Kiem (Kirchberg),

Hereby we would like to invite your kids in the age of 6-10 years (Cycle 2.1 – 3.2) to join our scout group in Kiem/Kirchberg.

Our activities revolve around traditional scouting principles and values, which we promote through learning by playing, active participation and respect. We learn with the children in a very open and playful way about nature, interaction in groups in the forest and values of scouting and guiding. At the scouts, everyone participates and discovers.

Join us for our first scouting activity in Kirchberg forest:

Saturday, January 15, 2022
14h - 16h
1, rue Anne Beffort L-1276 Luxembourg

Meeting point is at the white scout container next to the school. The activity lasts until 16h, which is when you can pick up your child at the same place.

Some additional information:

- Scout meetings will take place regularly every two weeks on Saturday from 14h-16h
- The interaction with the children will happen in English, Luxembourgish, and French
- Children shall be dressed for 2 hours of outside activities (forest style) according to the weather forecast
- Please provide your kid with a backpack with something to drink.

This activity is free of charge.

If you cannot join this time, or if you have any questions, please contact us

For registration, we need your name, your kids name and your mobile number for the inscription by the 3rd of January.

- You can send us the information by mail: chef@kiem.lgs.lu
- Or fill in the form on our website: <https://kiem.lgs.lu/>

A full inscription with your contact details is possible after the activity, when you decide with your kid if you want to join our scout group.

We hope to see you and your kids on Saturday, January 15 at 14h at the Scouts home!

Our best greetings for the end of the year,

Léif Gréiss a bis de 15.01. 2022
